

Hey **[Their Name]**,

I'm **[Your Name]**, your new SEO friend!

And, as we all know friendships last forever, so here I am.

I was reading your blog lately, and it was really nice to notice that you have mentioned our company's name, **[Your Brand's Name]**, in one of your articles. It would be great if you could add their link to it.

Here is the screenshot, just to simplify your job:

Oh, I forgot to mention that I work with websites like *(mention some of the websites from where you can provide them with a link)*.

P.S. You'll have the opportunity to be mentioned there!

I'm super interested to hear your thoughts and ideas about this collaboration.

Kind Regards,

[Your Name]
